

# The Home Stretch!

*CPDN is a service provider to independent drug manufacturers. All products are sold by their respective manufacturers/suppliers.*

**Volume I, No. 3**

**May 15, 2009**

We are now in the Home Stretch for the June 1 transformation of the CPDN Program. The convenient web ordering tool, paperless narcotics ordering and modern quality processes are the key advances we are making.

We are pleased to confirm these leading pharmaceutical manufacturers as CPDN Program Members effective June 1. They continue to support the CPDN Program as the most efficient method for hospital pharmacies to source their product.

**Please note that as of June 1, the CPDN Program will be administered through the new CPDN Web OMS ordering channel to give you a single convenient place for your orders and for access to all your buying information. Effective June 1, the “Gateway” will no longer be the method for obtaining all CPDN Program Members’ product at contract pricing in one place.**

Over the past few months, we have created and distributed a set of tools that cover all of the information you need – manuals, guides and checklists. If you need this toolkit please contact us by email at [info@CPDN.ca](mailto:info@CPDN.ca) with the subject line “Toolkit Materials Needed”.

If you have any questions, please send us an email note to [info@CPDN.ca](mailto:info@CPDN.ca).
